

## SPECIFICATIONS

Overall Length (L)	25.75"
Overall Width (W)	17.75"
Overall Height (H)	2.75"
Weight	1.25 LBS
Product Clearance	2.5"
Empty Nest Ratio	1:1
TL QTY	7,904

## ADVANTAGES & FEATURES

- Returnable/Reusable/Recyclable
- Made from durable 100% HDPE resin
- Improved sustainability for the circular economy
- FDA approved colors
- Ergonomic & lightweight designs
- Replaces metal alternatives to prevent contamination from galvanized flakes or rust
- Replaces metal alternatives to prevent injury due to cuts, scrapes, scratches or puncture wounds
- Reusable plastic offers a lower carbon footprint and a higher sustainability score than metal alternatives
- Intended to replace standard metal wire trays that fit a variety of transport, cooling, staging display racks, cabinets and retail displays of all types
- Made in the USA
